Summary

I have a passion and a knack for impactful storytelling. My specialty is transforming complex issues into digestible information. I am always eager to create unique opportunities for myself and to contribute to positive change in the world. I hope to expand the boundaries of audio journalism as an innovative reporter in an emerging field. My specific interests include political satire and climate policy.

Experience

Journalism:

News Intern

Radio Catskill

June 2025 - Present

- Directs two-way interviews and audio packages for podcast and radio
